

Moving forward for Single again and Remarried

- Align yourself with like-minded Christian people.
- Seek professional Christian counselling for yourself and your children.
- Commit to deepening your walk and relationship with the Lord through daily devotional time of prayer, bible reading and stillness in His presence.
- Be a part of a bible believing, Holy spirit filled church body.
- Forget the past, live in the present and expect a wonderful future for yourself and your children.
- Refuse to listen to or read statistics about divorce, remarriage and how such adversely will/might affect your children. Believe that God is bigger.
- (Jeremiah 29:11-13, Romans 8:28, Joel 2:25-27, Ephesians 3:20, 1 Corinthians 2:9, Isaiah 64:4)
